Relation to Maritime College

Student

In general, how has COVID-19 affected you as a member of the Maritime College community?

I do not enjoy the time during covid 19 because of the restrictions and the mask wearing.

What was it like to transition from learning or teaching in-person to online? Did you find it difficult to adjust? Why or why not?

I found it wayyyyy more difficult and harder to get in touch with teachers.

At what point did you begin to worry about how COVID-19 would impact your semester at Maritime? How has your timeline to graduate or complete projects at Maritime changed?

Soon after the first week of school after i got a feel of everything around campus.

These responses were pulled from questions on a Google Form sent to students, faculty, and staff of Maritime College in May 2020. The purpose of the Google Form was to collect stories from the Maritime College community to be included in the "Documenting COVID-19 at Maritime College" archival collection.
