Relation to Maritime College

Student

In general, how has COVID-19 affected you as a member of the Maritime College community?

school was boring because there was not much to do

What was it like to transition from learning or teaching in-person to online? Did you find it difficult to adjust? Why or why not?

No it was not difficult, it was nice to be home

At what point did you begin to worry about how COVID-19 would impact your semester at Maritime? How has your timeline to graduate or complete projects at Maritime changed?

Covid-19 has not affected my timeline to graduate yet

These responses were pulled from questions on a Google Form sent to students, faculty, and staff of Maritime College in May 2020. The purpose of the Google Form was to collect stories from the Maritime College community to be included in the "Documenting COVID-19 at Maritime College" archival collection.
